

City of Carthage Bracelet

Project B2131

Kat Silvia

The City of Carthage Bracelet evokes an old world ideal of using one simple thing and creating something new. This design highlights the Czech Glass Tango Beads. They have a tiny triangle shape that when matched together create a color block square tile.

What You'll Need

Toho Round Seed Beads 11/0 711 - Nickel (8 Grams)

SKU: JSK-0343

Project uses 1 Tube
