

Emerald City Cuff

Project B2135

Designer: Kat Silvia

This custom geometric cuff bracelet will never lose its sparkle, thanks to the permanent adhesive and sealer, Diamond Glaze. Just mix with your favorite color of fine glitter and you have got a 'glitter paint' that won't rub off.

Instructions

You will also need blue painter's tape, a mixing container, and a paint brush for this project. This is a free form project. You can use the photo for reference.

1. For this project please watch our video: [How to Use Diamond Glaze with Glitter for a Permanent Adhesive.](#)
2. Using your blue painter's tape and scissors, make a custom geometric pattern on the outer side of the brass cuff.
3. From what you learned in this video, mix your green glitter and the Diamond Glaze to your liking. Paint it on to the cuff.
4. Let dry for 10 minutes. Carefully remove the tape.
5. Mix the gold glitter and the Diamond Glaze. Paint it on to the open spaces where the tape was. Let dry.
6. If you would like, add a clean layer of Diamond Glaze over the top of the cuff and let dry.
