Instructions

The beaded pattern measures 6.25 inches. Wearing the adjustable clasp on the smallest setting will give you a 7 inch bracelet and go up to a 8.75 inch bracelet at the largest setting. If you would like a smaller bracelet, please adjust the beading pattern accordingly. You will also need a toothpick or scrap of wire for this project.

1. To see how to complete this project from start to finish, please watch our video: [How to Make the Beaded Loom Bracelet Kits by Beadaholique](#). In this video you will see how to set up your Jewel Loom, follow along with the pattern and finish the bracelet. Please see our [Printer Friendly PDF for Full Color Beading Pattern](#). We recommend waiting at least 24 hours before wearing to allow the glue to fully set.
