[PL5222] Tronex Tools, Flush Cutter Pliers with Standard Handle and Tip Protector 5 Inches Long, 1 Piece, [XTL-5608] Xuron 4 In 1 Crimping Pliers - Works On 1, 2 And 3mm Crimps!

Instructions

This bracelet measures 6.5" inches, to modify the length, simply adjust the number of beads strung.

1. Begin by cutting off 12 inches of beading wire and placing a Bead Stopper two inches from one end.
2. Then string on the beads in the following order: 6mm olivine, 6mm light colorado topaz, 6mm olivine, 4mm topaz. Then repeat this pattern 5 times and end with 6mm olivine, 6mm light colorado topaz and 6mm olivine.
3. String on one crimp tube. String the wire through one loop of the magnetic clasp and back down through the crimp tube. Crimp the crimp tube. Then add a crimp cover and trim the wire.
4. Move to the other side of the bracelet and repeat the above step.
