Instructions

You will also need a scrap of wire or toothpick to complete this design. This design is easy to size. Simply weave your desired length, leaving at least 1 inch and a maximum of 2.75 inches to accommodate the clasp.

1. To see how to complete this project, please watch our video: How to Space Bugle Beads on the Jewel Loom. From what you have learned in this video, set up your Jewel Loom. Then begin the pattern as seen in the video. Once you have added all of your beads for your desired length, you will finish off the design as seen in the video. Please note, the clasp will add a minimum of 1 inch and a maximum of 2.75 inches.
