Instructions

If you need to adjust the size of your bangle, please do so before gluing on the embellishments.

1. Starting at the 1 inch mark of your brass cuff, add a dab of E-6000 glue.
2. Place one 2-hole pyramid bead onto the glue, with the stud facing up.
3. Repeat the process of adding glue and placing on pyramid beads until you have 9 beads glued on.
4. Keep your brass cuff facing up and dry over night.
5. That's it!
