2. Repeat this 7 more times creating a total of 8 bead dangles.

3. Next, onto a gold plated ball headpin, slide on a metallic sunshine bicone and create a wrapped wire loop. Snip off any excess wire using your flush cutters.

4. Repeat this 3 more times creating a total of 4 bead dangles.

5. Next, using your chain nose pliers, open a gold plated jump ring, slide on the loop from your Nunn Design lotus charm and attach it onto the center bar of your bangle and close.
