Instructions

These instructions make a 6 1/2 inch bracelet. To make a longer or shorter bracelet, adjust the length of Opelon cord and the number of jade beads accordingly.

1. Cut a piece of Opelon stretch cord about 10 inches long. Place a bead stopper 2 inches from one end.
2. String the beads in the following order: 12 green jade beads, one ceramic gingerbread house bead (facing up), 12 red jade beads, and another gingerbread house bead (facing up).
3. Tie an overhand knot to close the bracelet, then double-knot it. Using your scissors, cut off the excess Opelon cord about 1/8 inch from the knot.
4. Enjoy your bracelet!
