Instructions

To adjust the length of your bracelet, size the leather cord to your wrist and adjust the number of floral "eye" units you weave.

1. To begin, please watch our video on how to use the Wrapit Loom Professional Series Duo. In this video you'll see how to set up your loom, how to size your leather cord, and how to attach your Griffin Silk thread to begin weaving your bracelet.
2. To learn how to create the scalloped design of the bracelet, please watch our video on how to create a scalloped evil eye design on the Wrapit Loom.
3. For this bracelet you'll weave each unit with the following color scheme: (Row one) 1 gold bead, (Row two) 2 ivory beads, (Row three) 3 light pink beads, (Row four) 3 dark pink beads, (Row five) 1 dark pink bead, 1 black Minos par Puca bead, 1 dark pink bead, (Row six) 3 dark pink beads, (Row seven) 3 light pink beads, (Row eight) 2 ivory beads, (Row nine) 1 gold bead. See pattern photo for reference. Repeat this pattern for the desired length of your bracelet.
4. Tie off and knot your Griffin Silk as shown in the video, and add glue to your knots. Wrap the bracelet around your wrist, and enjoy!
