Instructions

1. To make this watch, please view the video: How to Peyote Bead Weave a Watch Band.
2. In the video you will learn how to add watch strap adapters to your watch face lug bars, how to peyote stitch the watch band, and how to attach the watch band to both the adapters and the clasp.

3. It is important to note that you will want to "try on" the watch as you are working to make sure you end up with a proper fit. The video provides some tips on how to go about doing this.
