

Vienna Cushion Stone Bracelet

Project B791

Julie Bean

This dazzling Swarovski Crystal tanzanite bracelet features cushion fancy stones placed into gold plated settings and then strung together with Swarovski Crystal pearls and Toho demi round beads. The finishing touch is a lovely Elegant Elements clasp.

Stringing Material

Instructions

This bracelet measures 6.25 inches when complete. To make it longer without having to purchase any additional supplies, simply add more pearls and demi round beads to both sides near the clasp. If you want, you can also purchase additional cushion stones and cushion stone settings. Please note you will also need a popsicle stick for this project.

1. To see how to make this bracelet from start to finish, please watch the video: [How to Make a Swarovski Crystal Bracelet with Cushion Stones and Settings](#). In the course of the video you will learn how to set cushion stones into their settings, use bead stoppers, string your beads, crimp a crimp bead, and apply a crimp bead cover.
