

Chalcedony Caravan Bracelet

Project B802

Julie Bean

Gorgeous Chalcedony rondelles cluster around a sterling silver center chain in this gorgeous bracelet. The focal of the design is actually the highly decorative magnetic clasp which is part of the TierraCast Caravan collection.

Instructions

Please note that the supplies listed make for a 6 3/4 inch bracelet when worn. If you want a longer bracelet, please just order extra gemstone chain which can be purchased by the inch.

1. Begin this project by cutting your gemstone chain to the desired length. Keep in mind that the clasp will add around 3/4 inch.
2. Open a jump ring and attach it to one end of your chain and one half of the clasp. Close the jump ring.
3. Repeat the previous step on the other side of the chain with another jump ring and the other half of the clasp.
4. If you would like to see a video on how to make this project, please watch the video: [How to Make a Gemstone Chain Bracelet with a Magnetic Clasp](#).
