Instructions

This bracelet measures 7.5 inches total. To modify the size, adjust the length of cord used.

1. Please watch our video: How to Make a Chevron Friendship Bracelet with a Button Clasp. In this video, you will see from start to finish how we weave a chevron pattern using Super-Ion nylon cord. You will also learn how to clasp your bracelet with a button and braided loop.

Using the materials provided in this project bundle, you can make two bracelets.
