In this video, you will see from start to finish how to create this design using school themed charms, 3.7mm rolo chain, and 6/0 seed beads. First, you will see how to cut the chain to the desired length and attach a toggle clasp. Next, you will see how to attach charms to the chain in the order shown using jump rings. Finally, you will see how to attach beaded dangles onto the chain using head pins and wrapped wire loops.
