

Sweet May Daisy Chain Bracelet

Project B808

Julie Bean

Creating a daisy chain is a classic and timeless bead weaving technique. This bracelet is an excellent example of how just one little stitch repeated in interesting colors can be the entirety of the design and create a lovely accessory.

Instructions

1. To make this project, please watch the video: [How to Make the Sweet May Daisy Chain Bracelet](#).
2. The video will show you how to bead weave the daisy chain clusters as well as how to attach the clasp.
3. You can easily adapt the design to make the bracelet as long or as short as you like or even keep beading and make a necklace! You will have plenty of beads in the project package for a necklace.
