

Bright Lights Wrap Bracelet

Project B826

Julie Bean

This sparkly bracelet is so easy to make and looks wonderfully festive. The wrap bracelet measures up to 24 inches long when laid straight, depending on if you cut the chain to make it shorter. This is definitely long enough to wear as a pretty necklace!

Recommended Tools:

[XTL-0020] Baby Wubbers Quality Fine Chain Nose Jeweller's Pliers, [XTL-5600] Sharp Flush

Cutter Pliers - For Cutting Beading Wire, 1 Piece

Instructions

Note: This project is a wrap bracelet and 24 inches chain are listed in the supplies - which makes for an 8 inch bracelet wrapped 3 times. If you want a shorter bracelet, please cut your chain to fit your wrist. If you want it longer, please order an additional foot of chain.

1. Cut your chain to the desired length so that 3 wraps go comfortably around your wrist.
2. Open a jump ring and link it to the end chain link and one half of your clasp. Close the jump ring.
3. Repeat the previous step on the other side of your chain.

4. All done! Enjoy wearing this as either a wrap bracelet or necklace!
