### Instructions

1. For this project please watch our video: [How to Use the StazOn Opaque Ink Pad for Stamps](#). Using the technique you saw in the video, use the rubber stamp and StazOn ink pad to create a design of your choice on three bags to make a set.
2. Make sure to refresh the ink on your rubber stamp with every stamping to get a clean design.
3. Be sure to use the stamp cleaner to keep your stamp in good condition for your next project.
