1. To learn how to make this bouquet charm from start to finish, please watch the video: [How to Make Bridal Bouquet Charms to Personalize Your Wedding](#). This charm is the second project shown in the video. In the video you'll see how to affix your image to the bezel, seal it and coat it with glaze, and surround the bezel with a border of sparkling crystal cup chain.

2. Wrap the ribbon around your bouquet of flowers and tie a bow. Enjoy!
