### Instructions:

Remember to double these instructions to make your matched pair of earrings.

1. Begin by watching the video: How to Use Beadalon Quick Links and Connectors.
2. Use a large gold plated Quick Link connector to enclose a 25mm gold plated round Quick Link and a 20mm silver plated diamond cut heart Quick Link. These two links should be stacked together in one side of the connector. See photo for placement details.
3. Attach the other side of the large connector to a 20mm gold plated round Quick Link.
4. Use a pair of chain nose pliers to attach a 5mm, 18 gauge silver plated jump ring to the loop on a silver plated pall post earring.
5. Use a small silver plated Quick Link connector to attach the 20mm round Quick Link to the jump ring. See photo for placement details.
6. Place a silver plated earring back on the back of your earring post.

### Variations

Play around with the different finishes, shapes, and sizes of Quick Links to change the look of these earrings.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
