Instructions

Remember to double these instructions to create your matched pair of earrings.

1. Thread a 4mm crystal Swarovski bicone bead, a 7mm rhodium plated bead aligner, a dark lapis BeCharmed bead, another bead aligner, and another bicone bead onto a 2", 22 gauge silver plated head pin. Make sure that the ends of the bead aligners are inside the BeCharmed bead.
2. Create a wrapped wire loop after the last bicone bead.
3. Slide the wire loop onto a 1.5" silver plated kidney wire earring hook and down into the little dip in the bottom.
