Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Place a light siam round crystal bead onto an eye pin and create a simple wire loop after the bead.
2. Open a jump ring and place a dark moss green crystal triangle pendant onto the ring. Place one loop of your light siam link onto the ring and close the ring.
3. Open the loop on an earring hook and hang the earring from it. Close the loop back up.
