

## Majesty Earrings

### Project E1105

Designer: Megan Milliken

The beautiful crown bezel charms featured in these earrings don't need a lot to be striking. They are paired with a simple, graceful pair of large earring hooks in a matching antiqued gold plate.

## Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Open the loop on one of the earring hooks the same way you would open a jump ring.
2. Slide the crown circle bezel charm onto the loop, and close the loop.
