Project uses 2 pieces

### Specialized Tools

Xuron Sharp Flush Cutter Pliers - Wire/Soft Flex

SKU: XTL-5600

Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose

SKU: XTL-5511

Wire Looping Pliers - Concave And Round Nose

SKU: XTL-5032

### Instructions:

These instructions will give you one earring. Simply repeat the process to create your second earring.

1. Take your head pin and place on it your burger bead. Create a simple wire loop at the top. Before you close the loop, cut 1 1/2 inches of your chain and attach one end to the simple wire loop. Close the simple wire loop, the same way you would a jump ring.
2. Take the other end of the chain and attach it to the earring hook by threading it over the hook.
3. That's all!

### Variations

If you wanted to you may use different metals to complete your earrings

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.

**Keywords:** cheeseburgers, summer, gold plated, novelty beads, hamburger
