Jewelry Fine Round Nose Micro Pliers, [XTL-5600] Xuron Sharp Flush Cutter Pliers -

Wire/Soft Flex

## Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Onto one head pin place one bicone, one ceramic round bead, and one bicone. Make sure the bicones sit into the large holes of the round bead. They should be snug.
2. Make a wrapped wire loop. Trim the end of your head pin and tuck in your wrap as shown in the video.
3. Open one kidney wire earring hook and thread on the wire loop of the ceramic bead. Close the earring hook.
4. All done!
