Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring. For instruction on how to use Pinch Bail Earring Findings, please watch our video [here](#).

1. Begin by carefully prying open the pinch bail earring. Open it just enough to fit the bead in.
2. Slide the bead in between the prongs of the bail.
3. Carefully pinch the bail closed.
4. Open the loop of the earring hook with your pliers, the same way you would a jump ring. Loop it around the loop of the bail finding. Close the loop.
5. All done.
