Jewelry Fine Round Nose Micro Pliers, [XTL-5600] Xuron Sharp Flush Cutter Pliers -

Wire/Soft Flex

## Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Cut 10 lengths of chain, 9 links each. Set aside.
2. Open one jump ring and attach one length of chain to one hole of the trinity beads. Close the jump ring. Repeat once more to a second hole on the trinity bead.
3. Repeat the above step on five more trinity beads.
4. Take one earring hoop and string on in this order: 5 gold seed beads. Then 1 trinity bead with chains attached, 1 gold seed bead, and repeat 4 more times. Then add 4 more gold seed beads.
5. Take your chain nose pliers and bend up, about 1/4" of the loop so that it fits into the flat end of the loop with the hole.

6. Close the earring.

7. All done!
