## Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Begin by carefully prying open the pinch bail earring, just enough to fit the 8mm pearl in there.
2. Slide the bead into the prongs of the setting.
3. Carefully pinch the bail closed.
4. Open the loop of the earring hook, same as you would a jump ring, and attach it to the loop of the pinch bail. Close the loop.
