Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Begin by stringing one bicone onto one head pin. Make a wrapped wire loop. Set aside. Repeat twice more.
2. Open one jump ring, attach it to one of the wrapped wire loop dangles and attach it to the acetate hoop. Close the jump ring. Repeat with the other two dangles.
3. Open another jump ring and attach it to the loop of the earring post and to the acetate hoop. Close the jump ring. Use the bullet earring back to wear

your beautiful earrings.
