## Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Begin by stringing one scallop bead on to one head pin. Make a simple wire loop. Set aside.

2. String one cowrie bead on to one eye pin. Make a simple wire loop. Set aside.
3. Open one jump ring and attach it to the simple wire loop of the scallop bead and to one acetate connector link. Close the jump ring.
4. Open another jump ring and attach it to the bottom loop of the cowrie bead and to the other side of the acetate link. Close the jump ring.
5. Open the top loop of the cowrie bead, same as you would a jump ring and attach it to the earring hook. Close the loop.
