Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. On to one head pin, string one blue tear drop, large side down. Make a simple wire loop. Set aside.

2. On to one eye pin, string one rondelle bead and make a simple wire loop. Set aside. Repeat for two more rondelles, one turquoise drop and one purple drop.
3. Finally you will open and close the simple wire loops like jump rings to build the earring from the bottom up in this order: One blue teardrop, one rondelle, one turquoise teardrop, one rondelle, one purple teardrop, and one rondelle. Attach the final loop to the loop of the earring hook. Make sure all your loops are closed and you're all done.
