## Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Take one head pin and string on one 6mm round bead. Make a simple wire loop. Set aside and repeat three more times.
2. Open one 8mm jump ring and attach it to one leaf pendant. Close the jump ring.
3. Open one 4mm jump ring and attach it to the 8mm jump ring. Before closing the jump ring, attach two of the simple wire loop baubles. Close the jump ring.

4. Open another 4mm jump ring and attach it to the jump ring you just added, making sure to let the baubles fall on opposite sides. Attach two more baubles to this jump ring. Slide on the loop of the earring hook in-between the baubles you just added. Close the jump ring.
