### Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Onto your gold plated head pin, place a Royal Blue cultured sea glass teardrop bead, a gold plated spacer bead and a coral Czech fire polish bead.
2. Next, create a simple wire loop with your round nose pliers.
3. Snip off any excess wire with your flush cutters.
4. Open the loop on your earring hook (how you would a jump ring) and slide on your simple wire loop. Close your earring hook back up.
5. You're done!
