Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Onto a gold plated head pin slide on one sea glass teardrop bead. Create a simple wire loop with your round nose pliers and snip off any excess wire using your flush cutters.
2. Using your chain nose pliers, open the loop on one of your earring hooks (how you would a jump ring) and slide it onto your simple wire loop. Close back up.
3. You're done!
