Silver Plated Earring Hooks Kidney Wires 25mm (10 Pairs)

SKU: FEA-6700

Project uses 2 pieces

### Recommended Tools:

[XTL-5600] Xuron Sharp Flush Cutter Pliers - Wire/Soft Flex

## Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. Take the black studded faux suede cord from the package and hold it against one Nunn Design rectangle bezel. Using flush cutters, cut a piece of cord measuring about 1 1/16 inches that will fit into the bezel.
2. Line the inside of the bezel with Hypo Cement glue. Press the piece of cord into the bezel so it fits snugly inside. Let the glue dry for a few hours.
3. Open an earring hook and slide the loop at the top of the bezel onto it, so the studded suede is facing forward.
4. Enjoy your earrings!
