

Night Heart Hair Pins

Project H2002

Designer: Kat Silvia

These hair accessories are made using Swarovski Crystal Heart Flatback Rhinestones and glue on pad bobby pins. This is a great technique to make hair adornments for any occasion, such as weddings and formal affairs.

Instructions

No Tools Required!

1. Add a dab of E6000 glue to the pad of the bobby pin.
2. Take one Swarovski heart flatback rhinestone and place it on to the pad. Note: The heart will cover most of the pad. This was done so that the heart will be secure.
3. Repeat the above steps to make a second hair pin.
4. Allow to dry for at least 24 hours before wearing.
