

The Royal Treatment Necklace

Project N1002

Designer: Megan Milliken

This necklace features an antique silver crown pendant hanging in front of a brass pendant with an etched sunburst design. The pretty vine pattern on the back of the crown pendant shows through a little window in the brass pendant.

Instructions:

1. Use a pair of chain nosed pliers to open a 6 mm, 20 gauge antique silver plated jump ring. Place a 13 mm antique silver plated Nunn Design square crown pendant on the jump ring, and then place an 18 mm Vintaj Natural Brass etched square pendant charm behind it on the ring. Make sure that the Nunn Design pendant is facing crown side up. Close the jump ring.
2. Cut an 18" length of 2 mm antique silver plated round rolo chain with a pair of flush cutters.
3. Thread the length of chain through the 6 mm jump ring holding the pendants.
4. Use a 4 mm, 21 gauge antique silver plated jump ring to attach a 12 mm antique silver plated lobster clasp to one end of the chain, and attach a second 4 mm jump ring to the other end of the chain.

Variations

The Nunn Design crown pendant comes in several finishes. Mix and match metal tones to create a cool look.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
