Instructions:

This completed necklace will measure just over 26".

1. To begin cut your small gold crinkle chain into two 6" pieces. Make sure the chain is all going to same way with the smaller links on top of the larger links on both sides of the necklace.
2. In one of the larger holes of the chain, open a silver jump ring attach it to the gold crinkle chain and one of the rectangular connectors. Close the jump ring.
3. On the other side of the connector open another silver jump ring and attach it around the connector and the last link on the end of the gold leaf chain. Close the jump ring.
4. Repeat this process for the other side of the necklace: gold crinkle chain attached with silver jump ring to the silver connector, attached by silver jump ring to the other side of the gold leaf chain.
5. To finish the necklace, carefully trim off, using your flush cutters, one of the small loops in the crinkle chain.
6. On one side of the chain open and close a matte gold jump ring around the last link. On the other side, open and close a matte gold jump ring around the chain making sure to slide on the lobster clasp before closing.
