Instructions

These instructions will give you a necklace that 18 inches. To modify the length, adjust the length of chain respectively.

1. Cut off 17.5 inches of gold chain.

2. Open one gold jump ring and attach it to one end of the chain. Close the jump ring.

3. To the other end of this chain, open another gold jump ring and attach it to one lobster clasp and to the end of the chain. Close the jump ring.

4. Open one gold jump ring, attach the moon charm to the jump ring and place the gold chain into the jump ring. Close the jump ring around the gold chain so it moves freely.

5. Cut off 1.25 inches of silver chain.

6. Open one silver jump ring and attach the lightning bolt charm to one end. Close the jump ring.

7. Attach one silver jump ring to the other side of the silver chain, and thread this jump ring around the back side of the moon charm through the jump ring that is attaching the moon charm to the chain. Close the jump ring.

8. All done!
