Instructions

This necklace measures approximately 16.5 inches. To modify the length, simply adjust the length of leather used.

1. Cut 16 inches of leather.
2. To one end, slide on a crimp cord end. Using the crimping pliers to crimp the center of the cord end around the end of the leather.
3. Slide on one noodle bead.
4. Add a crimp cord end to the other side of the leather, same as you did before.
5. Open one jump ring and attach it to the loop of one cord end. Close the jump ring.

6. Open another jump ring and attach it to the other cord end as well as to a lobster clasp. Close the jump ring and you're all done!
