Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose, [XTL-5514] Beadsmith Jewelry Fine

Round Nose Micro Pliers

Instructions

This necklace measures approximately 17 inches. To modify the length, simply use a different sized finished chain respectively.

1. Begin by taking one eye pin and string on one bead cap, the fine rocks tubes, and one bead cap. Make a simple wire loop. Set this piece aside.
2. Take the finished chain and find the center link. Cut it with your flush cutters.
3. Open one simple wire loop from the eye pin, same as you would a jump ring, and attach it to one side of the chain. Close the loop. Repeat with the other loop and the other side of the chain.
