### Recommended Tools:

[XTL-5600] Sharp Flush Cutter Pliers - For Cutting Beading Wire, 1 Piece, [XTL-5511] The Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose, [XTL-0034] Wubbers Classic Series Round Nose Quality Jeweller's Pliers

## Instructions

This design measures 18 inches. To modify the length, simply adjust the length of chain.

1. Cut off 18 inches of chain and find the center link. Set aside.

2. Cut off 6 inches of wire. To one end make a small wrapped wire loop that wraps around the center link of the chain.
3. String on one 6mm rondelle, one 8mm rondelle, one 6mm rondelle. Then make another wrapped wire loop. For this loop it will need to be larger to accommodate the pendant. Then attach the princess cut pendant before completing the loop. Trim any excess wire.
4. Move to one end of the chain and open one jump ring to attach one lobster clasp to this final link. Close the jump ring. Move to the other side of the chain and attach one more jump ring in the same manner to complete the clasp.
