Night Crystal Necklace

Project N2275

Kat Silvia

A crystal black patina pear pendant is reminiscent of a dark and stormy night. Silver plated rolo chain and open hoop pendants complete this geometric evening look.

Instructions

This design measures approximately 24 inches. To modify the length, simply adjust the length of chain used.

1. Begin by cutting the chain to your desired length. Set aside.

2. Open one 6mm jump ring and attach it to the pendant and to one loop of one open frame. Close the jump ring.

3. Then open another 6mm jump ring and attach it to the open part of this hoop and to the second hoop. Close the jump ring. (Please see photo for

assistance)

4. Open a third 6mm jump ring and attach it to the top loop of the second hoop your just added. Close this jump ring.

5. Slide the chain through this jump ring.

6. Finally open one 5mm jump ring and attach it to one end of the chain. Close the jump ring. Open one 5mm jump ring and attach it to the other end of the chain and to one lobster clasp. Close the jump ring and you are all done!
