

Celestial Moons Necklace

Project N2296

Kat Silvia

A wonderful way to display the phases of the moon charm set from TierraCast is to string them on snake chain separated with textured metal beads.

Instructions

This design measures approximately 19 inches. To modify the length, simply adjust the length of chain used. You will also need a scrap of wire or a toothpick for this project.

1. To see how to complete this project from start to finish, please watch our video: How to Make the Celestial Moons Necklace. In this video you will learn how to make the Celestial Moons necklace featuring the phases of the moon charm set from TierraCast. You will learn how to finish snake chain with end caps and E6000 and how to use metal beads to space out the charms in this lovely necklace design.
