

Falling Teardrops Necklace

Project N2303

Kat Silvia

Designed to celebrate movement, this trio of teardrop pendants swings gracefully from a long necklace. This design is perfect to layer with your other favorite necklaces.

Instructions

Please note that some instructions may refer to a video. Search [beadaholique.com](http://www.beadaholique.com) for the underlined video title or return to this project's page on our website for clickable links.

This design measures approximately 24 inches. To modify the length, simply adjust the length of chain used.

1. To see how to complete this project from start to finish, please watch our video: [How to Make a Layered Necklace featuring Multiple Sizes of Nunn Design Hammered Drop Frames](#). In this video you will learn how to make a long necklace with a focal of drop frames from Nunn Design. You will learn how to open and close jump rings to create a chain like style for the frames to hang from. You will also get a peek into the design process when it comes to editing a design.
