

Lucite Flower Ball Necklace

Project N615

Designer: Julie Bean

Lucite flowers in shades of violet and amethyst are tightly nestled together in this fun summer necklace. With a 36" chain, this long necklace moves easily as you walk, creating a fun motion and sense of weightlessness.

Instructions:

1. Thread onto one of your silver plated ball head pins 1 pearl, 1 lucite tulip/lily of the valley bead cap, and 1 lucite violet purple 6 petal flower. Create a wrapped wire loop at the base of your large flower. at the base of your large flower. Cut off excess wire with flush cutters. Repeat with 1 other head pin so that you have a total of 2 of these clusters.
2. Thread onto one of your silver plated ball head pins 1 pearl, 1 lucite tulip, lily of the valley bead cap, and 1 lucite amethyst 6 petal flower. Create a wrapped wire loop at the base of your large flower. Cut off excess wire with flush cutters. Repeat with 1 other head pin so that you have a total of 2 of these flower clusters.
3. Open an 8mm jump ring. Link onto it all of the above flower clusters through their wrapped wire loops. Close the jump ring.
4. Thread your chain through the center of the jump ring above that has all the flowers on it. Pull the chain through the jump ring and center your flowers in the middle of the chain.
5. On one end of the chain, open and link an 8mm jump ring to the last chain link. Close the jump ring. On the other end of the chain, open the last link the same way you would open a jump ring and place the small loop at the bottom of your hook clasp onto this open link. Close the link.
6. Have a wonderful summer!

Tip: If you want your necklace to be a little shorter, simply cut off some of the links in your chain and then place your hook clasp at the end of the last remaining link.
