Instructions

Watch our video on how to make a delicate layered necklace trio with finished chains for layering tips, tricks, how-to and inspiration.

1. Open a 5mm jump ring. Slide on the TierraCast spike pendant, and slide the jump ring onto the 18 inch fine ball chain necklace. Close the jump ring.
2. Take the long cable chain necklace and move to the clasp. Open the jump ring that holds on the chain tag, and remove it from the end of the chain. Slide the loop of the TierraCast eye charm onto the necklace. Put the jump ring with the chain tag back onto the end link of the chain and close the jump ring.
3. Wear your necklaces in layers: the saturn chain on top, the ball chain with the spike pendant in the middle, and the long cable chain with the eye charm below. Enjoy!
