## Instructions

1. To create this pendant, please watch the video: How to Bead Weave the Dahlia Earrings with 2-Hole Chilli Beads
2. In the video you will see how quick and easy it is to create the pretty flower shape of this design. Although the video shows you how to make a pair of earrings, you will be using the same technique to create the pendant and attach the jump ring.

3. To attach the chain, add one more jump ring to the ring already attached and link it to the chain as well.
