Instructions

This necklace measures 16 inches. For a longer or shorter necklace, choose your desired length of finished chain.

1. Begin by using pliers to open the jump ring included with your acorn charm. Slide on the bottom loop of your strand reducer. Close the jump ring.
2. Open a 4mm jump ring and slide on one of the top loops of your strand reducer. Also slide on your finished saturn chain at the centermost point. Close the jump ring. Repeat this step to attach the remaining loop of your strand reducer at the middle of your chain. All done!
