

For this project, you will want to take it slow and carefully follow the video. Pause the video or rewind when you need to. Once you have made a few clusters, you will start to see the pattern emerge and it will become easier to bead the bracelet. Always watch the direction of your ZoliDuo beads.

1. Start by threading 80 inches of thread onto your needle.
2. Next, please watch the video [Handmade Jewelry Tutorial: How to Make the Orsay Beaded Bracelet](#). This video will teach you every step of making this bracelet. Enjoy wearing your new statement piece!
