

# Vienna Earrings

PROJECT PROJ-JB-E0024

Designer: Julie Bean

Skill Level: Beginner

These earrings will have you making the focal bezel first, letting it dry, and then completing the project. This project is not difficult to make, just take it one step at a time. Please note that I used a different glue in the video than listed in the ingredients. E6000 will work well for this project, just use it sparingly so that you do not saturate the Ultra Suede.

1. To make this project (and fill your bezel with ultra suede, please watch the video: How to Fill a Bezel Setting with Ultra Suede and Make an Earring.
